Subject: Re: 120728 Reading Winter Wonderland Hills Meadow Car Park SR3 Premises
Licence 22/09/2021

Dear Sian

Thank you for sending the redacted application.

12 hours a day for 7 weeks is a substantial disturbance to expect the residents living near Hills Meadow to tolerate. We are aware of significant issues from the previous Winter Wonderland visit to Reading, including loud noise and bright moving lights. Being so close to the river there are also concerns for the impact on wildlife. We object to the application in its current form.

kind regards

Caversham and District Residents Association
