Keeping you in touch

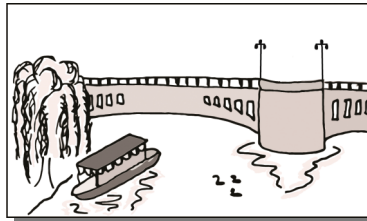

We keep in touch with members by email and through the CADRA website which has a wide range of information on local and current issues and easy links to official sites.

We issue two newsletters a year including details of the next open meeting. We send occasional emails to our members on topical items and write columns for the Caversham Bridge newspaper.

We are always pleased to hear from members with their ideas and concerns.

What is CADRA?

The Caversham and District Residents' Association started in 1967 and has become a widely respected voice for the community north of the river.

Its aim is to, "preserve and enhance the quality of life in Caversham and the surrounding District."

CADRA is non-political and works closely with Reading Councillors and Officers and other services in many areas including:

- Planning applications and policy
- Traffic and Transport Strategy
- Licensing including Reading Festival
- Policing and 'Safer Caversham'
- Protecting parks and open spaces
- Environmental concerns.
- Nurturing our local heritage

The Caversham Sign

designed and commissioned by CADRA.

Working Together

We have a good network with other local associations and with our members across all areas north of the river. In this way, we have an ear to the ground and keep up to date with your concerns and ideas.

We work closely with the Police and other agencies to address the concerns recently identified by Caversham Residents:

- Traffic issues
- Burglary
- Litter and fly tipping
- Cycling on footpaths

With a large and active membership, we can keep local people in touch with current issues and provide a strong voice for the community in Caversham.

Please join and give your support.

Together, we can make a real difference!
