What is CADRA?

The Caversham and District Residents' Association is long-established as an effective and respected voice for the community north of the river. Our aim is to...

preserve and enhance the quality of life in Caversham, Emmer Green and the community around North Reading

We are non-political and work closely with Reading Council, the Police and other services on issues which affect our community, including:

- planning applications and policy
- conservation areas and listed buildings across Reading
- traffic and Transport Strategy
- licensing, including Reading Festival
- protecting parks and open spaces and the riverside
- environmental concerns
- nurturing our local heritage
- burglary and other crime.

Become a member

We always welcome new members. Some join to get actively involved in our work; others as a useful way of keeping informed. Either way, you will demonstrate your support for Caversham and Emmer Green.

Please join and give your support – together, we make a real difference!

Working together

By keeping in touch with other local associations and with our members across all areas north of the river, we have our ear to the ground and keep up to date with local concerns and ideas.

We engender informed and constructive dialogue on the important issues that affect Caversham and Emmer Green, and we seek to influence policy and decisions. The quality of CADRA's contributions on local issues has earned respect and can have a real impact on what happens in the area.

By joining CADRA, you can make a difference to your area – it is only with membership support that we can...

- drive forward important local projects
- be a strong, coherent and respected voice on local issues and
- demonstrate that CADRA represents a significant number and broad cross-section of local people.

We are always pleased to hear from members about issues of concern – contact us at **info@cadra.org.uk**.

Keeping you informed

Our website has lots of information on current local issues and local history, with easy links to official sites. We post topical news on our two Facebook pages:

bit.ly_EmmerGreen_FB

We also write columns for the *Caversham Bridge* newspaper.

Our members receive additional information from CADRA:

- two newsletters a year (by email or post)
- a monthly update on local issues
- twice yearly open meetings on topical subjects
- the opportunity to become actively involved in CADRA as a strong voice for the community north of the river.

Join CADRA now!

The annual subscription is just £5 a year or £12 for three years, and that's per household. It's easy to join and pay online or by standing order.
