## What is CADRA?

The Caversham and District Residents' Association is long-established as an effective and respected voice for the community north of the river. Our aim is to...

*...preserve and enhance  
the quality of life in Caversham  
and the surrounding District.*

We are non-political, aiming to work closely with Reading Council, the Police and other services on issues which affect our community, including:

- planning applications and policy
- conservation areas and listed buildings
- traffic and Transport Strategy
- licensing, including Reading Festival
- protecting parks and open spaces
- environmental concerns
- nurturing our local heritage
- burglary and other crime.

## Become a member

We always welcome new members. Some join to get actively involved in our work; others as a useful way of keeping informed. Either is very welcome.

**Please join and give your support – together, we can make a real difference!**

## Working together

By keeping in touch with other local associations and with our members across all areas north of the river, we have our ear to the ground and aim to keep up to date with local concerns and ideas.

We aim to engender informed and constructive dialogue on the important issues that affect Caversham, and to influence policy and decisions. The quality of CADRA's contributions on local issues has earned respect and can have a real impact on what happens in the area.

By joining CADRA, you can make a difference to Caversham – it is only with membership support that we can...

- drive forward important local projects
- be a strong, coherent and respected voice for Caversham and
- demonstrate that CADRA represents a significant number and broad cross-section of local people.

We are always pleased to hear from members about issues of concern – contact us at [info@cadra.org.uk](mailto:info@cadra.org.uk).

## Keeping you informed

Our website has lots of information on current local issues, with easy links to official sites, and a Facebook page on which we post topical news. We also write columns for the *Caversham Bridge* newspaper.

Our members receive additional information from CADRA:

- two newsletters a year (by email or post)
- updates by email on current issues
- regular open meetings on topical subjects
- the opportunity to become actively involved in CADRA as a strong voice for the community north of the river.
