Dear Mr Scholes

I am writing on behalf of the Caversham and District Residents Association concerning the application above.

106 Westfield Road, the "Henry and Charlotte Villas" (the name can be seen on Google Street View) is a fine Victorian building which can be seen on the OS map of 1881. This map is shown on page 93 on the Oxoniensia paper, "From Village to Suburb: Caversham 1840 to 1911" which can be seen at <https://www.cadra.org.uk/en/Local-History-Resources#block69>.

Considerable extensions have already been made to this interesting building and we believe the proposed application to be over development and out of character.

These comments have also been submitted on line.

kind regards
