

PL/26/0492 - 8 CHURCH STREET (Gardiners), CAVERSHAM, READING, RG4 8AT

CADRA welcomes the essential repairs to this listed building that adjoins other listed buildings lying at the main gateway to Caversham, and in the St Peter's Conservation Area. Both the method and materials proposed seem appropriate. We ask that the Council confirms that the work will be carried out by suitably experienced heritage contractors, as the application says.
