Opposing plans to close the last bank or building society in Caversham

I am concerned about plans to close the Nationwide Building Society branch in Caversham as this will remove a vital local service, which is also the last local bank or building society branch serving residents in Caversham and Emmer Green.

This important local service is used by many residents, particularly those who want to pay in cheques or withdraw cash.

I am carrying out a survey of residents' views on this issue and I am planning to present the results to Nationwide managers when I meet them to ask them to keep the branch open.

If you would like to have your say about this issue please complete the survey on the back of this letter and either post it to my office. If you have a smartphone, you can take a picture of your survey response and email the photo to mattroddampcasework@parliament.uk. You can also complete the survey online by following this link: <https://mattroddamp.com/content/nationwide-caversham>

Local services are important, and I am calling for these to continue to be available in Caversham village centre and other local shopping centres. Campaigns can be successful, and you may have seen that I and other local campaigners helped persuade the Post Office to keep a sub-post office in Caversham.

Thank you for your help with this issue.

Yours sincerely,

Matt Rodda MP
