

CADRA AREA REQUESTS FOR TRAFFIC MANAGEMENT MEASURES, APPENDIX 1

New requests for potential entry onto the principal list, following last reported update (March 2024)

Line No.	Ward	Type of Request / Proposal	Street	Location	Details
1	Caversham	Pedestrian crossing	St Peters Hill/ Church Rd	Near Caversham Court Gardens	Request to install a crossing facility in the vicinity of the gardens, due to concerns about pedestrian safety when crossing in this area.

Officer Comments

- **Comment:** A detailed investigation would need to take place to determine if there is an appropriate location for a crossing in this area. There are bends in the road and a number of access points which will restrict locations for a crossing, which must have good visibility due to the high traffic volume in the area.
- **Casualty Data:** No accidents have been reported in the area around Caversham Court Gardens in the latest 3 year period (up to June 2024).
- **Anticipated Costs:** A very high level estimate would be around £80k for a zebra crossing, however, a detailed investigation would need to take place and high-level concept of desirable (and feasible) measures developed before costings can be correctly estimated.
- **Officer recommendation:** Retain (noting feasibility concerns)
